Attendance/Safety Precautions

All students are expected to attend all scheduled classes during the season unless there is a reasonable excuse. Please contact the instructor via phone, text, or Facebook Messenger if the student will be late or absent. If a student misses 3 consecutive classes, a 30 minute private lesson will be required. If the student misses 6 or more classes in a session they will need to schedule 1-2 hour long private lessons. Regular attendance is vital to the success of your child and their class!

Obviously, it is important for your child to STAY HOME if they are feeling under the weather (ie, cough, runny nose, stomach ache, fever). We take pride in keeping our studio clean and sanitized. We ask that our dancers use the restroom BEFORE class to limit interruptions. Also, parent viewing inside the studio is CLOSED with the exception of Tiny Tots Dance & Ballet/Jazz/Tumble Tots, and by the discretion of the teacher. Our lobby in the main studio is at a capacity of 10 people so we ask that you do not congregate when we are at capacity. Also, dancers are not allowed to bring friends to class to watch. If they would like to participate they will need a parent to bring them in and sign a waiver form beforehand to participate in a trial class.

Conduct & Code

We have high expectations of our dancers (and parents). Dance is a fun and beautiful art form and we *highly* encourage exploration, growth, and FUN! We also want the time spent in the studio to be beneficial and worthwhile to everyone and believe that proper conduct is key to a successful learning environment. Therefore, we expect the following “code” from our dancers:

HONESTY- Always be true to yourself and not sell yourself short. The word “can’t” is not allowed in class. You are far more capable than you believe possible. Be honest to yourself and others and allow your teachers to help you own up to your fullest potential!

COURTESY- Please arrive on time (5 minutes early) to class, dressed and prepared mentally and physically to learn! Listen with intent to your instructors so you may get the very best experience out of every class.

RESPECT- Always honor yourself and others by treating each other in a friendly and encouraging way. No negative self-talk or talking badly about others. Respect the personal space of those around you. Also, respect your studio! Please pick up after yourself and help others when needed.

DISCIPLINE- We are here to train, learn, and grow! Improvement comes with *hard work*, *consistency* and *dedication*. If you are having a bad day, we guarantee DANCE will make it better!
